

# FIZZ! BOOM! @ your library! READ

## Summer Reading 2014

### Just a few of our program partners in 2014:

- HudsonAlpha
- MindGear Labs
- Waymon Krugh
- Curt Cearley
- Alabama Youth Ballet
- FINRA
- Earth Fare
- Animal Tales

The Huntsville-Madison County Public Library is ready for you to Fizz, Boom, READ! Join our Summer Reading Club by picking up a packet at your local library, then let the fun begin!

This year our partnering organization is Huntsville Hospital. They offer programs that teach our youth how to keep their bodies happy and healthy. Because children aren't like adults, neither is their health care. That's why a children's hospital is the right place for a child. It starts with the doctors and nurses who are specially trained and experienced

in only caring for children. Even the equipment is child-sized. There are only three hospitals like this in Alabama and one of them is in Huntsville. Huntsville Hospital will visit each branch and host a special program this summer, just for you!

Science and STEAM learning will abound this summer at the library! We'll have animal programs; learn about genetics and inherited traits; enjoy the magic of science and math; eat healthy foods and learn how they help our bodies; and stimulate our brains with art programs!

There's so much to learn at the library, and it's all FREE! Just pick up a packet and grow your brain this summer.

### Thanks to our sponsors!

### The HMCPL Kids Website

Our website just for kids keeps getting better and better! This year, we've added TrueFlix by Scholastic. It's a fun way to learn about stuff that's true: science, current

events, the human body and more! Kids.hmcpl.org is a fun, safe place to find educational websites, games, homework help, booklists, information for parents, and more!

You can even explore Madison County and HMCPL branches with a fun map and get to know *your* librarian. And be sure to check the website often! We will always be adding fun and interesting things for your family to explore together.

# Weekly Program Schedule

**Schedule subject to change - please contact your branch for up-to-date information**
