### **Approval of Agenda**

Mr. Boon called for approval of the agenda. Mr. Gray made a motion to accept the agenda. Ms. Ferrell seconded the motion. Motion passed.

### **Approval of Minutes**

Mr. Boon called for a motion to approve the minutes from the last meeting. There were no requests for changes to the minutes. Ms. Ferrell made the motion to approve the minutes. Mr. Gray seconded the motion. Motion passed.

### **Library Foundation Report**

Ms. Rawlins reported that the seventeen members of the Library Foundation Board worked hard this year raising money and advocating for the Huntsville-Madison County Public Library. Since they had such a good year financially, they voted to approve \$53,000 for a new transit van for the library. This vehicle will help out with the current outdated van being used.

### **Finance Committee Report**

New Hope Public Library is over budget at this time, but planned funding is coming in from various sources to cover expenses and they will be fine by the end of September. This is due to a change in the timing of those payments. Triana Public Library also has a high percentage of spending due to government support payments received later than expected, but there should be no issue by the end of the fiscal year.

Part of the Capital Campaign Income raised for the South Huntsville Public Library was transferred to their Rainy-Day fund. They are asking to transfer \$19,000 out of their Rainy-Day fund to cover upcoming expenses. This came out of committee as approved. Motion passed.

The Huntsville-Madison County Public Library was unable to give raises at the beginning of the fiscal year due to funding, but would like to give each employee a \$500 bonus at the end of the fiscal year. This came out of committee as approved. Motion passed.

The Huntsville-Madison County Public Library's Fiscal Year 2026 Budget is contingent on funding from the City of Huntsville, City of Madison and Madison County. Level funding is expected, so the numbers should be similar to last year's budget. We will know more later this week when the City of Huntsville votes on the budget. The recommendation to approve the FY26 budget contingent on funding came out of committee as approved. Motion passed.

### **Governance Committee Report**

The LearningQUEST Memorandum of Agreement was reviewed in committee. There is no cost or income to the Huntsville-Madison County Public Library. It does provide services to the community and brings patrons in to the library. This came from committee as approved. Motion passed.

The Hatch Café Memorandum of Agreement was reviewed in committee. The Hatch Café operates a coffee shop in the South Huntsville Public Library. They pay a minimal monthly rent of \$250. This came from committee as approved. Motion passed.

### **Executive Director's Report**

#### Activity Report

This report covers July, August, and Summer Reading. Circulation has decreased which can be attributed to a couple of factors. First, a price cap placed on downloadables has affected statistics. Second, changes with waivers and library card tier levels for minors have also affected access to our digital resources because Tier 1 and Tier 2 do not have access to Hoopla or digital content. As for our Young Adult collection, out of 5,000 library cards in this Tier 2 age range, 13-17 years old, 3,900 teen cards are still at Tier 1 status. This tells us that a majority of parents with teenagers have not completed the waivers.

Our top four circulating branches are Madison, South Huntsville, Downtown and Monrovia Public Libraries. Visits to the library as well as program attendance have not been affected by the tier levels or the Hoopla spending cap. We have seen an increase in visitors to the library as well as program attendance this summer. We had 275,817 visitors in June and July which was up 6% or 15,468 visitors from last year. South Huntsville Public Library leads in visitors per branch followed by Downtown, Madison, and North Huntsville Public Libraries.

Program attendance was also up 15% over the same time period last summer. There were 28,267 program attendees. The highest attended program was Caturday on Saturday at Madison Public Library with 405 attendees and our Adult Painting classes have been very popular. There were ten events at four branches with 97 attendees total.

## **Public Comments**

### Rachel Homolak

Ms. Homolak commented that Christ is King and gender ideology is evil, dangerous and deadly. She referenced Maia Poet, an adult who regrets transitioning from a female to a male after reading materials on the subject found in her school library at age 12.

### Tonia Stulting

Ms. Stulting said she appreciated Mr. Boon addressing the Library Code of Conduct at the start of the meeting. Her adult daughter was spit on by a fellow speaker after the July 15, 2025 meeting. After witnessing this in the lobby, another speaker who advocated for the other side apologized for the behavior and asked for titles of children's books that have explicit content so that person could make her own decision. Ms. Stulting will continue to attend Library Board meetings to tell the truth and continue to pray.

### Alison Centofante

Ms. Centofante commented that she wants to speak to the Library Board and the attendees on the common ground of our children's well-being. Protecting our children by moving sexually explicit materials from the children's section to the adult section is a compromise, not banning books. Adults are still debating LGBTQ+ politics and gender transitioning. Let's not put that very heavy debate on the shoulders of children who do not know how to spell the word debate.

### Jackie Bellamy

Ms. Bellamy commented that she is a library patron and thanks the Library Board for its service to the community and the library system. She urges the Library Board to stand up against censorship, including the APLS. She also urges the Library Board to ask the legislative service agency to investigate the financial burden the new proposed policy change would have on libraries. She states that the change last year cost HMCPL \$60K and the cost state-wide was \$300K even though APLS said it wouldn't be a financial burden on libraries. She ended by saying she would much rather point out the great services the library provides than fight censorship.

### JoAnna Damson

Ms. Damson commented that she strongly requests the removal of inappropriate books in the children's section of our library. As an attorney, she points out that Alabama law criminalizes the dissemination of obscene materials to minors, codified in Alabama Code 13A-12-200.5 and 13A-

12-200.11. She says parents expect age-appropriate content at the library, not materials that prematurely expose children to adult themes like transgender ideology. She respectfully asks that the Library Board protect our children's spaces in the library and place age-appropriate boundaries where needed.

#### Carissa Callan

Ms. Callan commented that publishers are using children's books as stepping stones to introduce gender ideology to our children. She says there are people who want to destroy the institution of the family by sowing the seeds of confusion, hate, and chaos. She states that the American Library Association moved the goal post when they made gender ideology their number one priority. Ms. Callan's goal is to protect the innocence of children in this public setting so that the library is a place that children can freely pull books off the shelf. She urges the Library Board to curate a collection of quality literature for children and youth that promotes truth, goodness, and beauty.

#### Lara Person

Ms. Person states our library system should strive to uphold the APLS code by curating resources that reflect our community's values while fostering age-appropriate learning. Topics on transgenderism often involve complex social, psychological and medical concerns that may not be suitable for young readers without parental guidance. She says the proposed APLS code is not about exclusion, but about ensuring our library remains a neutral space where parents are comfortable knowing their children are not going to run into something sexually explicit or highly confusing. Ms. Person encourages parents to guide their children's reading choices, utilizing the adult section as a resource for those seeking materials on transgenderism or other complex topics. She asks that our community commit to keeping our library a place of learning and respect by approaching our differences with civility so we can build a stronger community together.

#### Mica Rice

Ms. Rice expressed appreciation and thanks to the Library Board for their stewardship of the literary resources of the public library. She acknowledged the steps taken to safeguard the innocence of our children as well as speak to the concerns of parents without diminishing the access to literature proposed to educate, enlighten, caution, inform, and empower our community. Ms. Rice would like to encourage the Library Board to maintain your confidence of self as you've been chosen to represent us all despite personal affiliations or beliefs. Without literature, students are deprived of their introduction to parts of the world. She says books are the

basis of independent thought and knowledge. She asks that the Library Board continue to operate with respect to the community.

Susan Stewart

Ms. Stewart states the APLS is violating the Alabama administrative code by acting outside their authority. She says trying to cooperate with their demands or with the evolving library code threatens the independence of library systems and degrades their services through censorship and the financial consequences of unfunded mandates. Ms. Stewart urges the Library Board to end its reliance on state funding in order to protect our library. She states that over 80% of parents who have signed a waiver designating the level of library access for their children have chosen the highest level of card access. Ms. Stewart states the APLS and the Library Board is supporting censorship.

Bonnie Nesman

Ms. Nesman commented that she doesn't want censorship, just a reorganization of books to protect our children. She says she thought the issue of inappropriate books in our libraries had been dealt with, but on a recent library visit, her granddaughter found a book Ms. Nesman felt was inappropriate as it pertained to homosexuality. She is urging the Library Board to consider the less fortunate children who do not have a parent, grandparent, or a librarian who can help them find a book or help them manipulate and navigate this world. She ended with Matthew 18:6, "But whoever causes one of these little ones who believe in me to sin, it would be better for him if a millstone were hung around his neck and he drowned in the sea." She asks if it is the Library Board's purpose in allowing inappropriate materials in the youth sections to cause these little ones to sin.

Dr. Marisa Allison

Dr. Allison states that Alabama public libraries including this Library Board are at a defining moment in how you will respond to the attack being waged against the right to read and the marginalized communities being targeted by these attacks. It is likely the next time we meet the state library board will have approved new administrative code rules that would tie funding to the removal of even more materials from the minor section. The goal post keeps changing and now they want to change the definition of inappropriate for minors to include materials that positively depict transgender procedures, gender ideology, or the concept of more than two biological genders. In short, this says transphobia is okay, but trans acceptance is not. Dr. Allison delivered a petition with 867 signatures from community members telling the Library Board that transphobia is not a prevailing community standard here in Madison County and asks this board

and library administration not to comply with the multiple transphobic and unconstitutional mandates coming down from the APLS.

Sarah Herrell

Ms. Herrell states that she is here to advocate for the children in our city and our county, allowing them to maintain their innocence and hold tight to their childhood. Ms. Herrell says she is a foster and adoptive mom and has witnessed first-hand the effect of children forced to carry adult issues in their minds. She states the hyper sexualization of children is epidemic in our county. Adults insist that children can handle weighty topics like transgender ideology which adults cannot seem to agree on. Ms. Herrell asks the Library Board to follow prudent and necessary boundaries being given by the state of Alabama to protect our children's innocence and ensure federal funding continues.

Erin de Jager

Ms. de Jager states she is a library user and will defend her ideals with words. She says there is a pattern from the speakers today, those who support keeping books in libraries have brought hard data while those who support censorship and a political agenda brought vague statements and the idea that they are the only arbiters of what is allowable for everyone's children to see. Ms. de Jager reiterates the public is everyone and the books in question today have been educational books and not sexualizing books. She points out that the code of conduct for this library states that children under the age of ten must be accompanied by a parent or guardian at all times.

Kathy Pate

Ms. Pate states she would much rather talk about cooking books than censorship. She questions how moving a book from a youth section to an older or adult section is going to erase anybody. She agrees library books should not be a political issue. She is data driven, but has seen over the last twenty years how easy it is to collect data to fit the desired conclusion. You can't just rely on data and studies; you have to use common sense on governing which books will be put where in the library. She mentioned gender ideology and the gender spectrum. She said there are two genders, but we are all different and may fall at different places on the masculine/feminine spectrum.

Melanie Kolowski

Ms. Kolowski commented that the library should represent everyone. It is a place for diverse perspectives and for people to explore topics that may cause others to be uncomfortable. She is here to represent all of her neighbors because she was taught to love thy neighbor. She appeals to

the Library Board to please remember that you have to represent everyone. Every child deserves representation in the library. She stated that those who want to censor materials are not looking to implement Christian values, they are looking to implement Christian dominance. Please stop letting them.

### **Next Meeting Date**

The next meeting will be held Tuesday, November 18, 2025 at 4:00 pm at the North Huntsville Public Library.

There being no further business, the meeting adjourned.

# Public Access Desktop Computer Procedures

- All public access desktop computers in the Huntsville Madison County Public Library System may be used by adults and children ages 10 and older. The Youth Services Department of some Branches have computers that are specifically for children, and have no age limits. To use all other public access desktop computers, children ages 9 and under need to be accompanied by an adult 18 years or older.
- The Library uses an automated PC Reservation system. Every effort is made to provide equitable access and time to all users of our public computers.
- All desktop computer users must have one of the following:
  1. A valid Huntsville-Madison County Public Library card.
  2. A Guest Patron Card for non-residents, guests, and residents ineligible for a full membership. This limited-access card is strictly for computer usage or room reservations. It may be obtained at a service desk and should be issued to patrons who are frequent users of the public computers. Such cards are unable to check out items; guest and non-resident patrons wishing to upgrade computer-use only cards may apply for a full card at a circulation desk. Non-resident fees apply to full membership cards.
- To use a public access computer, a user must have either a valid Huntsville-Madison County Public Library card or a Guest Patron card. No one may use another person's card or card number. Anyone that does not comply with this requirement will have his or her card blocked for one month and will lose borrowing and computer use privileges during that time.
- Copies made on computer printers are \$.15/page for black and white and \$.25/page for color, with the exception that there are no charges for print-outs made of searches in our online catalog.
- Generally, a patron is limited to 1 hour usage per day with 1 extension for 30 minutes if no one is waiting.
- High demand locations have express workstations for quick email access and other short uses. These computers have a time limit of 15 minutes, and are on a first-come, first-served basis. No reservations or sign-ups are required for these workstations.
- Reservations, where reservations may be made, will be held for only five (5) minutes past the reservation time in all locations.
- Flash Drives may be purchased for \$5.00; headsets for \$2.00.
- Patrons may access personal e-mail accounts that are web-based like Gmail, Hotmail, Yahoo, and America Online.
- Patrons are required to use only the software available on the library computers, and are not allowed to load software on a computer's hard drive, or use their own software on a portable USB flash storage device.
- Patrons may use portable USB flash storage devices, also called memory sticks, on the library computers. The library is not responsible for any damage that might occur to a patron's personal device, and cannot guarantee, due to manufacturer variations, that all memory sticks will work with library workstations. A patron's personal USB peripherals such as external hard drives and webcams are not permitted for use on library computers.

- Individual departments or Branches may have additional procedures that are specific to each location and based on their users' needs.

## **Public Access Laptop Computer Procedures**

- Some branches have a laptop kiosk which dispenses laptops for in-house use.
- All laptop computer users must have one of the following:
  1. A valid Resident or Non-Resident Huntsville-Madison County Public Library card or a Young Reader Huntsville-Madison County Public Library card with Level 3 access.
  2. A Guest Patron Card for non-residents, guests, and residents ineligible for a full membership. This limited-access card is strictly for computer usage or room reservations. It may be obtained at a service desk and should be issued to patrons who are frequent users of the public computers. Such cards are unable to check out items; guest and non-resident patrons wishing to upgrade computer-use only cards may apply for a full card at a circulation desk. Non-resident fees apply to full membership cards.
- The lending period for laptop devices is dependent on available battery life, and they must be returned 15 minutes before closing. All devices may only be used on library property, excluding bathrooms. Patrons are fully responsible for the device until it is returned to the kiosk or a library staff member.
- Any devices removed from the Library grounds will constitute theft and the patron will be charged the maximum fine. Fees up to the full price of the item will be charged for damaged or stolen items, as determined by management.
- The laptops have microphones and video cameras enabled. You are still required to wear headphones for sound.
- Anything stored on the laptop's storage will be removed when reinserted into the kiosk.
- The device must be returned with the power on to the kiosk that it was checked out from. Failure to return a device will result in a fine and revoked privileges. In the event that the device has been removed from the premises, administrative staff will file a police report.
- Patrons are required to follow the Huntsville-Madison County Library's Internet Safety Policy.

## **Internet Safety Policy**

### **Mission**

**This is the public's library. We empower individuals to create their own futures, explore the universe of ideas, and connect with our community and the world.**

### **Internet Access**

The Library collection is supplemented by the wide variety of resources available through the Alabama Virtual Library and the Internet. Computers are provided for our users to access these online resources in the Library, and free classes are available in the Technology Training Center and Workforce Development Lab at some Branches for those who wish to improve their computer and Internet skills.

The content of the Internet is unregulated, and the Library has no control over the resources available there. Information found on the Internet may be reliable and current, or it may be inaccurate, out of date, illegal, obscene or sexually explicit. Because the Library cannot monitor or control the information available through the Internet, users access the Internet at their own discretion.

In order to provide equal access for users to its computers and the Internet, the Library sets time limits for computer usage and requires user sign-up or reservations.

Users are expected to utilize the Library computers in a responsible manner and to respect the rights of other users. Any actions that will cause damage to computer software or equipment, or will result in the invasion of privacy or harassment of others will not be allowed.

The Library will have no liability for direct, indirect or consequential damages related to the use of information accessed through the Library's Internet service. Since software and information downloaded from any sources, including the Internet, may contain computer viruses, users are advised to utilize virus-checking software on their home computers. The Library is not responsible for damage to users' storage devices or computers or for any loss of data, damage or liability that may occur from the use of the Library's computers.

## **Responsibilities of Parents/Guardians of Minors**

Parents/guardians are responsible for their minor (under the age of 18) children's use of the Library's resources and facilities. This includes using the Internet at any of the Library locations. Parents who believe that their children cannot responsibly use the Library's Internet access are requested to monitor their children's Internet use.

The Library will assist parents/guardians and children in the use of the Internet, and suggest specific web sites that are age and content appropriate for children.

## **Unacceptable Uses of Computers**

The following general uses of the Internet and Library computers are not permitted:

- Viewing graphic sexual materials;
- Downloading and installing software on Library computers;

- Hacking the Library network, including unauthorized use of network logins
- Using the Internet for unlawful purposes;

The following types of Internet and Library computer usage are prohibited for minors as specified in the Neighborhood Children's Internet Protection Act (NCIPA):

- Access by minors to inappropriate matter on the Internet and World Wide Web;
- Uses that compromise the safety and security of minors when using electronic mail, chat rooms and other forms of direct electronic communications;
- Unauthorized access, including hacking, and other unlawful activities by minors online;
- Unauthorized disclosure, use and dissemination of personal identification information regarding minors; and
- Access by minors to materials harmful to minors.

The term "harmful to minors" is defined by the Communications Act of 1934 (47 USC Section 254 [h][7]), as meaning any picture, image, graphic image file, or other visual depiction that

- taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;
- depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals;
- taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.

## Technology Protection Measures

The Library uses technology protection measures, as required by the Children's Internet Protection Act, to protect against access to visual depictions that (1) are obscene, (2) contain child pornography, or (3) are harmful to minors.

Technology protection measures are not foolproof, and may not always prevent Library patrons and staff from inadvertently accessing text or images that may be offensive. Sites that contain inoffensive and useful information may also be erroneously blocked.

Library staff will disable upon request the technology protection measures on designated computers to allow Internet access for lawful purposes for adults (age 18 or older).

Adults or minors may also request access to web sites that are erroneously blocked. Library staff will review the sites in question and provide access to those that are blocked in error.

## Penalty for Violation of Policy

Any user who fails to comply with this policy will receive a warning and will forfeit the remainder of his computer time. After the first warning, users continuing to violate this policy

will be issued a six-month trespass warning and will be barred from using any Library facilities for this period of time. Additional violations may result in further trespass warnings for longer periods of time. Trespass warnings exceeding six months may be appealed to the Library Board.

## Headsets

Due to Public Health concerns, the Huntsville-Madison County Public Library no longer loans Shared Computer Headsets for Public Use.

Patrons are welcome to bring in personal headsets suitable for computer stereo use, or to purchase a reusable quality stereo headset at a service desk for \$2.00 each. Any headset purchased becomes property of the patron, and must be taken with the patron upon exit from the Library.

The Huntsville-Madison County Public Library is not responsible for purchased or personal headsets left on the premises, or damaged due to patron misuse.

## Acceptable Use Policy

HMCPL encourages patrons to engage in interactive sections of our websites, by participating in online discussions and, in some cases, providing content. Before you participate in these activities please read our policy on user-generated web content:

1. Patrons who provide online content to HMCPL for its websites are granting HMCPL full license to use such material for promotion of library services, collections and other activities. By posting comments on our websites, patrons agree that HMCPL may use their content for these purposes without compensation.
2. All content submitted for online discussion will be reviewed by staff. While we may not always have the resources to review patron comments prior to posting, HMCPL reserves the right to edit or delete user content in a manner that is consistent with our mission and policies. As such, we will not post content that contains vulgar language, personal attacks of any kind, or offensive comments that target or disparage groups by ethnicity, race, religion, sex or gender.
3. HMCPL reserves the right to moderate user-generated content for any reason.
4. HMCPL is not responsible for any user-generated comments and contents that appear on our websites.
5. This policy may be revised at any time.

Library Board updated and approved: 11/19/2024

# Digital Video Security Camera Policy

Security cameras will be used where needed to discourage violations of the Library's Rules of Conduct, to assist Library staff in preventing the recurrence of any violations and, when necessary, to provide law enforcement assistance in prosecuting criminal activity. The purpose of this policy is to establish guidelines for the placement and use of digital video cameras, as well as the access and retrieval of recorded digital video images at the Huntsville Madison County Public Library.

Video monitoring and recording will be conducted in a manner consistent with all existing local and applicable laws and ordinances.

Cameras may be installed in locations where staff and patrons would not have an expectation of privacy. Examples include common areas of the Library such as entrances, near book and media collections, public seating, delivery areas and parking lots.

Cameras will not be installed in areas where staff and public have a reasonable expectation of privacy, such as restrooms.

## Procedures

1. Digital video security cameras are installed in selected indoor and outdoor locations at each of the Huntsville-Madison County Library branches.~~the Main Library.~~
2. A sign will be posted at Library entrance informing the public that security cameras are in use.
3. Selected staff will have access to the real time monitors, although activity is only randomly monitored.
4. In pursuit of incidents of criminal activity or violation of the Library's Rules of Conduct, only the Executive Director or his/her designee(s) will have access to the archived material.
5. Video recordings and photos obtained through the video monitoring system will be released only in response to search warrants, court orders, and requests by law enforcement for an active investigation.
6. Images will typically be retained for a period determined by the storage capacity of the equipment, usually about 14 to 21 calendar days. As new images are recorded, the oldest images will be automatically deleted.
7. Selected digital video may be saved for as long as required

## Guidelines

1. Staff and patron safety ~~is~~are the first priority in any threatening situation. The protection of Library property is of secondary importance.
2. Cameras will not be installed for the express purpose of monitoring staff performance.
3. The general public will not be allowed access to camera images.
- ~~4.~~ Questions from the public may be addressed to the Executive Director.

### **PERFORMANCE EVALUATIONS**

The Library recognizes the need for a performance evaluation system to improve productivity, help employees make constructive changes, open lines of communication, and pursue organizational excellence through employee development.

The performance evaluation system should:

- A. ~~(A)~~ Set goals to be carried out the following year;
- B. ~~(B)~~ Assess an employee's strengths, weaknesses, and potential for growth;
- C. ~~(C)~~ Encourage and guide the employee's development of their special skills and work interests;
- D. ~~(D)~~ Provide a method of improving operational programs through employee input; and,
- E. ~~(E)~~ Identify training needs in line with departmental and/or system-wide strategic goals.

Library managers or their delegates are responsible for conducting an ~~annual~~quarterly performance evaluation of each employee under their supervision. At the beginning of each quarter of the calendar year, the Human Resources department will post a notice of the relevant deadlines for each phase of the performance evaluation cycle.

All employees must complete a self-evaluation and submit it to their manager, or the manager's delegates, ~~by the deadline as posted on StaffSpace~~within 30 days of the employee's anniversary date. Managers, or their delegates, will then conduct all employee evaluations and will have paperwork from each review completed and turned in to the Human Resources Department by the end of each quarterly deadline as posted on StaffSpace/Paylocity.

The performance evaluation will include an explanation of any unsatisfactory performance and a description of any accomplishments over and above those normally expected of the job. Each evaluation is reviewed at a level above the supervisor and the employee is afforded the opportunity to discuss the evaluation with the reviewer. Evaluations will be reviewed in a meeting with the employee and the employee's supervisor; the employee will sign the evaluation form and receive a copy.

The supervisor will prepare more frequent evaluations for any employee who has received an overall rating indicating below standard performance. Performance improvement plans may include a 90-day training and development plan from the supervisor that the employee must follow in effort to improve job performance in areas where additional improvement may be needed. The supervisor will then reevaluate the employee at the end of the 90-day period to discuss the performance improvement plan and if any improvement has been made. All evaluations will be approved by the Human Resources Department, the Deputy Director, and the Executive Director by the deadline posted to StaffSpace. Approved evaluations will be returned to the manager who will conduct a meeting with the employee in question to review the appraisal in full. All performance evaluations must be completed by no later than the last business day ~~of the second month of~~ each the quarter.

If an employee does not agree with their evaluation results, the employee has the right to add comments to their evaluation report in the 'Comments' section or on separate pages. These additional comments must be reviewed, signed and dated by both the employee and the manager. If

Revised 10/2025

circumstances warrant it, an employee may choose to utilize the standard grievance procedures as set out in the Library's Employee Grievances and Concerns Policy.

Performance evaluations [and any performance improvement plans](#) become part of the personnel files which are maintained in the Human Resources Department.

## ~~COVID-19 Temporary Branch and Department Manager Guidelines~~

~~Duration and Changes~~ ~~Last Updated January 25, 2022~~

~~These temporary policy guidelines are subject to change or termination at any time upon the direction of the Executive Director and/or upon the conclusion of the COVID-19 Emergency we are currently facing. This policy is to be read and used in conjunction with all other directives defined by the HMCPL Leadership Team. Failure to adhere to HMCPL Policies may be grounds for disciplinary action.~~

~~Individuals directed to contact Human Resources should contact Dorothie Linton **only**. Contact information is listed at the bottom of this document.~~

### ~~If a manager has an employee that:~~

~~-~~

- ~~• ~~Calls in sick with symptoms consistent with COVID-19~~~~
- ~~• ~~Been directly exposed to anyone with COVID-19~~~~
- ~~• ~~Been directly exposed to anyone who has symptoms of COVID-19~~~~

~~The manager must immediately report the employee's name and contact information to Human Resources for follow up before the employee is allowed to return to the worksite.~~

~~Symptoms consistent with COVID-19 (note that symptoms are not exclusive to COVID-19):~~

~~-~~

- ~~• ~~Cough~~~~
- ~~• ~~Shortness of breath or difficulty breathing~~~~
- ~~• ~~Fatigue~~~~
- ~~• ~~Muscle or body aches~~~~
- ~~• ~~Headache~~~~
- ~~• ~~New loss of taste or smell~~~~
- ~~• ~~Sore throat~~~~
- ~~• ~~Congestion or runny nose~~~~
- ~~• ~~Nausea or vomiting~~~~
- ~~• ~~Diarrhea~~~~
- ~~• ~~Fever at or above 99.1 F~~~~

### ~~Sickness~~

~~If an employee is experiencing sickness of a type not consistent with symptoms of COVID-19, existing HMCPL Policies and Procedures shall govern any leave taken. Employees who are sick are strongly encouraged to stay home from work even if they do not have COVID-19.~~

Revised 10/2025

#### ~~Presumed or Confirmed Cases of COVID-19 involving an Employee~~

~~If an employee is experiencing symptoms of COVID-19, **the employee should not report to work.** The employee should immediately:~~

~~-~~

- ~~• 1. Call their manager and let them know they will be absent from work.~~
- ~~• 2. Contact their health care provider for medical guidance.~~
- ~~• 3. Contact Human Resources for further instructions.~~

~~If an employee is **confirmed** to have COVID-19 **OR** has been in direct contact with someone who is **confirmed** to have COVID-19, **the employee should not report to work.** The employee should immediately:~~

~~-~~

- ~~• 1. Call their manager and let them know they will be absent from work.~~
- ~~• 2. Contact their health care provider for medical guidance.~~
- ~~• 3. Contact Human Resources for further instructions.~~

~~Based on the information provided to Human Resources, the employee may be placed on leave or required to telework. **The employee may be required to complete a test for COVID-19 before being allowed to return to the workplace.** See the “COVID-19 Testing” section below for more details.~~

#### ~~Employee Mask Requirements~~

~~All HMCPL Employees are required to wear a face mask when interacting with the public or other staff members if six feet of social distancing is not possible. Face masks should be made of medical grade materials or durable fabric and should be worn tightly against the face, covering the nose and mouth.~~

~~Face shields are not an acceptable substitute for face masks. Employees with medical issues that prohibit the use of face masks should contact HR to submit proper medical documentation.~~

~~Employees are encouraged to continue to wear masks whenever possible, even when moving through staff only spaces such as back hallways and break rooms.~~

#### ~~On-the-Job Exposure~~

~~An employee who has been in direct contact at work with another employee who is confirmed to have COVID-19 but has maintained social distancing with masks worn during the contact is considered to have a low risk exposure. Employees who have had a low risk exposure will be informed of the contact risk as soon as possible. Employees who have had a low risk exposure are not required to complete a COVID-19 test before returning to work but are encouraged to contact their healthcare provider with any concerns.~~

~~Employees who have any questions concerning these types of interactions are encouraged to consult their health care provider.~~

Revised 10/2025

~~All guidance from health care providers regarding self-isolation, quarantine, and/or medical testing should be sent to Human Resources in writing.~~

#### ~~COVID-19 Related Absences~~

~~If an employee tests positive for COVID-19 or has a household member test positive and is unable to report to work, any missed time will be deducted from accrued sick leave or vacation leave if no sick leave is available. In the absence of accrued leave, missed time will be unpaid and considered an excused absence.~~

~~If an employee is sent home to seek testing as a result of a direct worksite exposure\* to another employee who has tested positive for COVID-19, any missed time (up to five business days) prior to the staff member receiving test results will be counted as "Other" with a supervisor comment of "COVID Work Exposure" on their time card.~~

~~Staff members who test positive following a direct worksite exposure to another staff member and are unable to report to work will then have any missed time deducted from accrued sick leave, or vacation leave if no sick leave is available. In the absence of accrued leave, missed time will be unpaid and considered an excused absence.~~

~~\*A direct worksite exposure will be determined by the Library's administrative team and is usually considered to be close, unmasked contact lasting longer than 15 minutes with the COVID-positive individual.~~

#### ~~COVID-19 Testing~~

~~-~~

~~Effective January 19, 2022, the Federal Government is offering a limited number of free At-Home COVID tests to U.S. Households. In light of this, and to expedite employee return to work, the Library has established the following guidelines for COVID-19 testing:~~

~~In the event that an employee is exposed to a COVID-19 positive individual BUT has no symptoms, the Library will accept a Negative result in an At-Home test in order to clear the employee to return to the worksite. The employee must send a clear image of the Negative test results to Human Resources and wait for clearance before returning to work.~~

~~In the event that an employee is exposed to a COVID-19 positive individual AND has any symptoms of COVID-19, the Library will accept a Negative result from a healthcare provider administered Rapid or PCR (molecular) COVID-19 test OR a doctor's note stating that the employee has no need to test for COVID-19 in order to clear the employee to return to the work site. At-Home test results are not acceptable in this instance. The employee must send a clear image of the Negative test results or doctor's note to Human Resources and wait for clearance before returning to work.~~

~~In the event that an employee is experiencing ANY symptoms of COVID-19, the Library will accept a Negative result from a healthcare provider administered Rapid or PCR (molecular) COVID-19 test OR a doctor's note stating that the employee has no need to test for COVID-19 in order to clear the employee to return to the work site. At-Home test results are not acceptable in this instance. The employee must~~

Revised 10/2025

send a clear image of the Negative test results or doctor's note to Human Resources and wait for clearance before returning to work.

Employees who are out due to COVID-19 can return to work by submitting a Negative test result or doctor's note as described above and being cleared by Human Resources OR if it has been five days since the onset of symptoms and the symptoms have completely resolved. If symptoms persist for longer than five days, the employee can return to work 24 hours after all symptoms have resolved. Employees with concerns about long-term symptoms are highly encouraged to talk with a healthcare provider.

#### Quarantined by Medical Official

If an employee is quarantined by a medical official (or a member of the employee's household is quarantined by a medical official), the employee will not be allowed to return to work until they are medically cleared. The employee should contact Human Resources immediately. The employee must provide a doctor's note regarding the medical quarantine to Human Resources. The employee likewise must provide a doctor's note that they are cleared to return to work.

#### High Risk Activities and Travel

**Due to the seriousness of the COVID-19 Pandemic and HMCPL's goal of keeping its employees and patrons safe, all employees are strongly encouraged to carefully review any plans to travel or participate in various activities at this time.** Employees are encouraged to review CDC guidelines for further information as to what activities may be considered High Risk and for travel recommendations.

If an employee travels and upon their return, is not experiencing symptoms consistent with COVID-19 as listed above, **the employee CAN REPORT to work as normal.**

#### COVID-19 Vaccination

In line with national and state level guidance, the Library encourages any staff member who is eligible to become vaccinated against COVID-19, including receiving a "booster" shot as recommended by the CDC.

To make it easier to schedule a vaccination appointment, the Library is providing employees with paid time off to complete their vaccination. Employees are eligible to receive a paid day off for all COVID-19 vaccination shots, including booster shots. These Vaccination Days are only eligible to be used to attend vaccination appointments and must be used in whole day increments. Employees are encouraged to schedule the use of vaccination days with their manager as far in advance as possible to ensure scheduling needs at the branch are met.

Normal Hours Worked Per Week	Paid Day Off Equivalent Hours (must be taken in whole day increments)
40 Hours a Week	8 Hours
30-29 Hours a Week	6 Hours

20-15 Hours a Week	4 Hours
--------------------	---------

~~Employees who schedule vaccination appointments on their normal day off or when the library is closed will not be allowed to take their Vaccination Day for any other purpose.~~

~~All HMCPL Employees are required to share their vaccination status with Human Resources to aid in contact tracing and situational responses. Employees who have been vaccinated to any degree should submit a clear copy of their COVID-19 vaccination card (front and back) to Human Resources for inclusion in the employee's confidential medical file. Employees should submit updated copies of their vaccination record whenever they receive an additional vaccine shot, such as a booster shot.~~

~~Employees who have not been vaccinated should submit a signed statement indicating that they have not been vaccinated against COVID-19 due to one of the following reasons:~~

- ~~—— Religious Reasons~~
- ~~—— Personal Reasons~~
- ~~—— Medical Reasons~~

~~Further documentation regarding non-vaccination may be requested at a later date. All medical information shared with Human Resources, including reasons for non-vaccination, is strictly confidential.~~

~~Alabama Workers Compensation~~

~~Any employee who claims exposure to COVID-19 and would like to file a claim under the Alabama Workers Compensation Law should be directed to the Human Resources Department.~~

~~OSHA~~

~~Any employee who has questions or safety concerns regarding another individual's travel should contact Human Resources.~~

~~**Any employee with questions or concerns regarding exposure to COVID-19 should ONLY contact Dorothea Linton at the contact information below for COVID-19 guidance.**~~

### WORKPLACE SAFETY PLAN (PANDEMIC)

#### General Policy

It is the policy of the Huntsville Madison County Public Library (HMCPL) to comply with the guidelines and recommendations of emergency management and medical professionals and to abide by any formal emergency declarations and laws enacted at the State and/or Federal level of government.

#### Purpose of the Plan

The purpose of this document is to set forth the Huntsville Madison County Public Library's Workplace Safety Plan (Pandemic) for its employees. HMCPL adheres to all applicable federal, state, and local guidelines as well as the Center for Disease Control and Prevention (CDC) guidelines concerning pandemics and other health emergencies. *When circumstances warrant, HMCPL Administration will issue additional guidance to address issues that may arise during a pandemic regarding any temporary pandemic policies, guidelines, and other human resources matters.*

Revised 10/2025

### **Vaccination and Vaccination Status**

Employees of the Huntsville Madison County Library are not required to have any specific Covid-19 vaccinations as a condition of employment.

#### **Proof of Vaccination**

Employees of HMCPL may be asked to provide proof of Covid-19 vaccination.

Employees may provide a digital copy of the record of immunization from a healthcare provider or pharmacy, a copy of the Covid-19 Vaccination Record Card, or a copy of any other official documentation containing required data. In requesting this information, HMCPL will comply with any applicable Federal laws, including requirements under the Privacy Act and Rehabilitation Act of 1973.

#### **Employee Leave for Vaccination**

Employees may use accrued sick leave or personal leave if they are unable to obtain the vaccine outside of normal working hours. Additionally, employees may use accrued sick leave or personal leave if accompanying a family member receiving the vaccine. For the purposes of this plan, "Family Member" is defined as:

- Spouse
- Parent
- Child
- Dependent of whom employee is the main caregiver.

### **Confidentiality and Privacy**

All medical information collected for individuals, including vaccination information, test results, and any other information obtained as a result of testing or symptom monitoring, will be treated in accordance with applicable laws and policies on confidentiality and privacy, and will be accessible only to those with a need to know. Retention of employee information conforms with the confidentiality requirements of Section 501 of the Rehabilitation Act.

## **Proposed FY2026 LSTA Grant Application**

The Alabama Public Library Service's (APLS) annual Library Services and Technology Act (LSTA) grant period is now open for FY2026. HMCPL plans to apply for a Collection Development grant for \$20,000 to supplement the adult fiction and nonfiction book budget for five Madison County branches of the HMCPL system. Unlike past grant cycles, this year's proposal does not require a 25% local match. Previously, that would have come from existing materials budgets.

If awarded, the grant would be split evenly among the following branches:

Gurley Public Library \$4,000

Monrovia Public Library \$4,000

New Hope Public Library \$4,000

Tillman D. Hill Public Library of Hazel Green \$4,000

Triana Public Library \$4,000

Each of these branches is seeing growth in their service populations that their county commissions or municipalities have not been able to keep up with as far as funding support. A grant award in this amount would make a significant difference in circulation and services for them.

HCMPL will ask for letters of support from the mayors and county commissioners of the respective branch locations. The grant application along with other required documents and signatures is due December 31, 2025.
