

# DOGOnews

## Library Edition

### A Bilingual English and Spanish Literacy and News Database!

For elementary, middle and high school learners covering language arts, science, social studies, STEM, sports and the environment.

#### Why DOGOnews Library Edition?

Engage children with award-winning interactive content to develop reading, media literacy, and global awareness. Users can seamlessly switch between English and Spanish.

#### Develop Reading Fluency, Media Literacy and Global Awareness with award-winning content:

- Over 8,500 articles, updated regularly
- Read Aloud + Read along audio (English and Spanish)
- Photos and videos to engage all types of learners
- Quizzes and vocab games
- Auto citation generator
- Unlimited access -- no turnaways
- Easy implementation -- no IT staff required

*“One of the leading literacy platforms that educators are using to inspire curiosity and help students develop key skills”*
