South Birmingham-Huntsville District
African Methodist Episcopal Church

Presiding Bishop, Rt. Rev., C. E. Thomas
Ninth Episcopal District
African Methodist Episcopal Church

PASTOR'S MESSAGE

I Think! I Believe! I Love, therefore, I Am!

Using the axiom, "I think, therefore, I am" Descartes began a revolution that bears his name and proved deductively, to his satisfaction that the soul of man exists, the material world exists and that God exists. Without discounting the sincerity and impact of the Cartesian system, which is the basis of our present scientific method, the overwhelming challenge, however of our church family is to point humankind to the peerless priest, master preacher, philosopher and King who was, is, and will be forever, in a class all by Himself, Jesus the Christ.

We know that as a person thinks in his heart, so is he; we know whoever believes in God will not perish but have eternal life. We love and exist because he first loved us. He is worthy to be praised.

Teacher, Adult Class

HISTORY ***of*** ***ST. JOHN A.M.E. CHURCH***

St. John A.M.E. Church was organized by Dr. William Hooper Council, one of the nation's outstanding educators, and founder of Alabama A & M University. Between 1883 and 1900, Dr. Council was appointed a minister in the A.M.E. Church Conference and delivered the first sermon from a barber shop on the corner of Miller and West Holmes Streets in Huntsville, AL.

In 1900, the first building was erected on Church Street, Huntsville, AL. In 1920, twenty years after completion of the building, under the leadership of Rev. Patterson, the mortgage was burned.

Ministers serving St. John besides Dr. Council and Rev. Patterson include: Reverends Shelton; Goodlow; Williams; Todd; Brooks; Newell; Evans; Hill; Brice; Douglas; Cook; Thompson; Oliver; Woods; Lamar; Hughes; Howard; Stone; Dennis; Foxx; Hereford, and our present pastor, Dr. H. L. McCall. We pay tribute to these outstanding leaders for having the vision, determination, and dedication to guide this church to its present status.

Through their efforts we have a rich history, and a promising future.
