Pastor's Message

"And this is the confidence which we have in Him that if we ask anything according to His will, He listens to and hears us." I John 5:14

What is missing often in our relationships? In our personal relationship with God, in marital relationships, in family relationships, in sibling relationships, in friendships, partnerships, organizations or institutional relationships, etc. What is missing often is an ongoing, constant dialogue with God. We often have not because we do not ask according to God's will. We ask often with ungodly motives - greed, lust, anger, pride, etc...

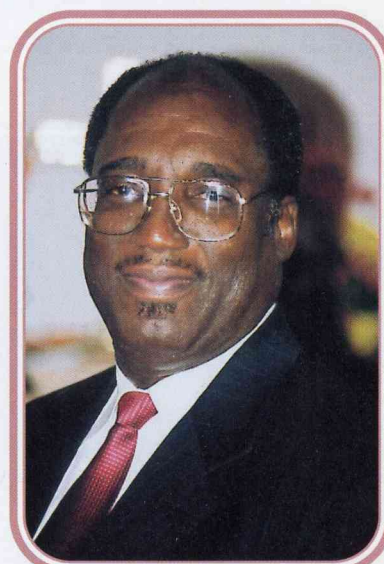

We pray that this pictorial directory will be used to spread the good news of God's intention to be in constant communion with us and our need to enjoy fellowship with Him forever.
